## Information about the course

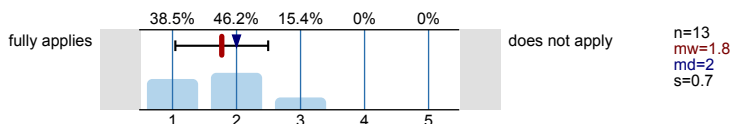

### I had the previous knowledge for this course.

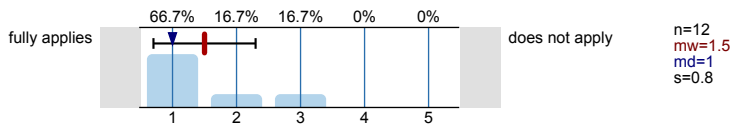

In my opinion the things I am to learn in the course are important.

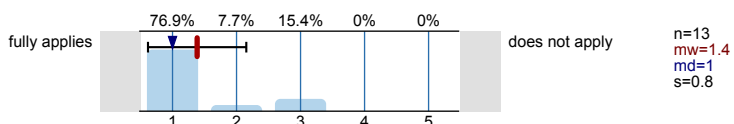

The tasks were set in a clear and comprehensive way.

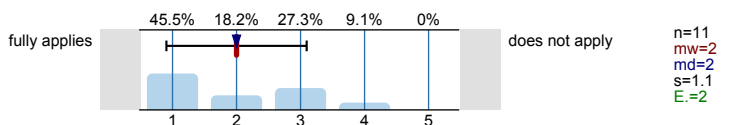

The way the assignments were set motivated me to deal with them.

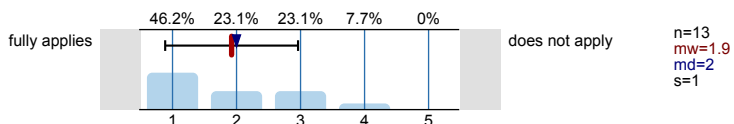

I was able to solve tasks on my own or contribute to the problem solving in the group respectively

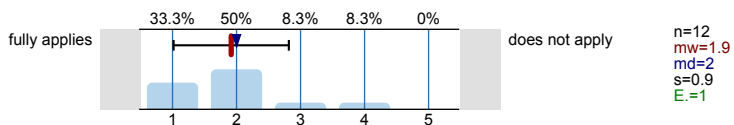

The available software adequately supported to complete tasks.

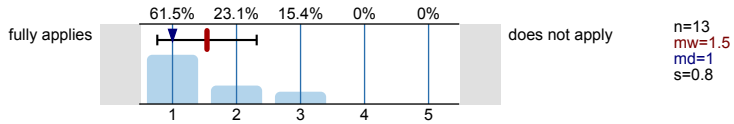

The available material helped me to understand the subject matter.

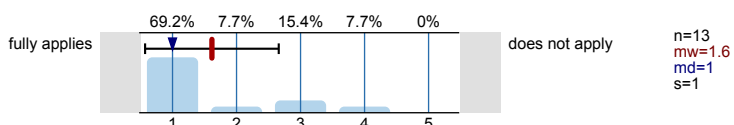

I acquired a lot of factual knowledge

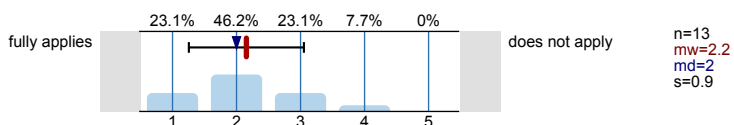

I regained a deeper understanding of the subject matter

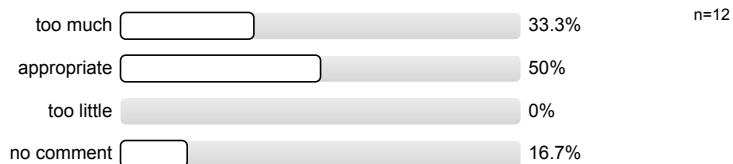

I think that the course enables me to apply what I learned to new tasks

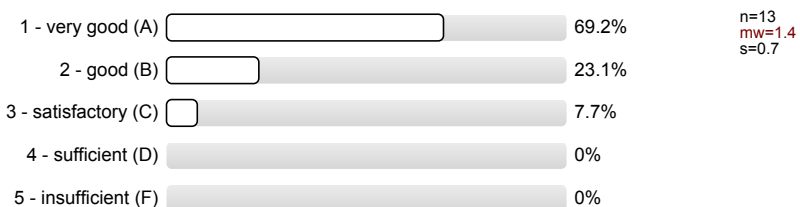

The course enabled me to get to know my abilities and their limits

Time I invested was ...

I would grade the course with:
